Holy Family Catholic Primary School

Mission Statement

2018

Holy Family Catholic Primary School exists to:

- Assist in the Church's' mission of making Christ known to all people.
- Assist parents, who are the primary educators of their children, in the education and religious formation of their children.
- Be at the service of the local Church - the diocese, the parish and the Christian home.
- Be a service to society.

Our Mission statement....

Our Mission statement was created by and is owned by the whole school community, reflecting our commitment to the Home, School, Parish partnership. It is the starting point for each policy, decision, meeting and action of our school community.

Together with Jesus, we grow in love.

As we grow in faith, with the guidance of Christ, we aim to live out the gospel values of love, respect and forgiveness.

We aim:

- To show love to our peers, staff and our wider community
- To reverently participate in and lead collective worship each day, showing respect to all faiths
- To reflect on our choices, saying sorry through word, action and forgiveness of others

As we grow as life-long learners, we will nurture potential and resilience, developing the unique gifts given to everyone.

We aim:

- To provide opportunities to excel across a broad and balanced curriculum
- To work together, learning from our challenges and mistakes
