

## I'm Better Than You.

Pete and Eve thought Steve was a big head. Steve liked to **boast**. He was a proper show off. Steve was always **bragging**.

"I've got the best football boots. I've got a better phone than you. I've got a bigger television than you," he would boast.

Pete and Eve wished he was not like that. They decided to play a trick on Steve.

"Oi! Steve. I've got a better iPad than you," said Eve.

"Oh! no, you have not," replied Steve.

"Oi! Steve. I've got a bigger bike than you," said Pete.

"Oh! no, you have not," replied Steve.

"Oi! Steve. I've got a bigger bedroom than you," said Eve.

"Oh! no, you have not," replied Steve.

"Oi! Steve. My dad has got a bigger car than your dad," said Pete.

"Oh! no, he has not," replied Steve.

Now Steve was getting really annoyed. His face was red and he wanted to explode. Not actually explode but you know what I mean?

"Oi! Steve. I've got a bigger head than you," said Pete.

“Oh! no, you have not. I’ve got the biggest head in the whole school. No one has a bigger head than me,” shouted Steve.

Suddenly, he realised what he had just said.

They all burst out laughing.

Later when he thought about it, Steve knew it was better to have good friends than good things.
