

Can Eve, Dave and Steve Bake a Cake?

Eve spoke **to** Dave. She asked him: "Dave, how **do** I bake a cake?" Dave **said**: "I **do** not know." "Let us phone Steve."

They rang Steve at home. He did not pick up **the** phone. "I know, let's try him on his mobile phone," **said** Eve.

They rang his mobile phone. Steve **could** hear **the** phone. It made a strange sound but he liked **the** ringtone.

"Hello" **said** Steve. "**Who** is that?"

"It's me," **said** Dave. "Is **my** number on **your** screen?"

"Yes, it is. I **was** just messing with you," **said** Steve.

Eve had a frown on her face. "Why are boys so silly?" she asked herself.

Eve spoke to Steve. "Steve, **do you** know how **to** bake a cake?" she asked.

"No!" said Steve "but I do know how to eat **one**."

They **all** laughed.
