

Emma and Fred

Fred swims in **the**
pond.

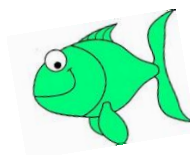

Emma swims in **the**
pond.

She is a green fish.

She has big fins.

Emma **said to** Fred: "Tell **me**
about **the** land."

Fred **said**: "It is not wet. The pond is wet. The land is not wet."

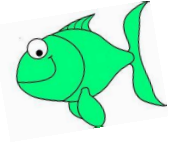

Emma asked him: "**Do you like** the pond or **the** land the best?"

Fred **said**: "**The pond is the best.**"

Emma asked him "Why is
the pond the best of all?"

Fred said: "The pond is the best
because I can play with you."

"Thank you," said Emma and she
went red all over!
